# **THE DONALD B. MUNRO AWARD FOR FAMILY ACHIEVEMENT**

The family of Donald B. Munro, first Mayor of the Township of West Carleton, has donated a trophy for family achievement. The purpose of this award is to encourage families to work together for a common goal at Agricultural Fairs and to provide recognition for their achievements. The award shall be presented to the family group winning the highest number of points at each annual fair. The award shall be kept on public display in a place chosen by the donor and the Carp Agricultural Society.

### **RULES:**

1. A family group shall be two or more people living in the same household and being father, mother and children living at home.
2. For every class included in the official prize list, three points shall be allowed for first place, two points for a second place and one point for a third place winning. Five points shall be awarded for each department in which the family exhibits.
3. Each family shall be responsible for recording its own winnings on a tally sheet at the back of the prize list. The sheet must be returned to the Society Office by Friday, SEPTEMBER 30th, 2016 so that computation of points may take place and the trophy will be presented at Appreciation Night.
4. In the event of a tie in points, the winner shall be the family with the greatest number of first places, and in the event of a dispute, the decision of the Directors shall be final.
