Dear Friends,

I'd like to express my sincere gratitude and congratulations to everyone involved in making the Carp Fair yet again a success. It's been a joy to see the fair evolve over the years and to watch it continue to bring joy and excitement to our community.

My family and I look forward to the Carp Fair every year. We are always amazed by the variety of exhibits and amusements that are available for all ages. From the Midway rides to the horse and tractor shows, the Carp Fair truly has something for everyone.

None of this would be possible without the tireless efforts of the many individuals and organizations involved, including the Carp Agricultural Society, the generous sponsors, and the countless volunteers who work behind the scenes in the months leading up to the festivities. Thank you all for your hard work and dedication in hosting the "Best Little Fair in Canada" this year.

I hope every resident of our city will take the opportunity to enjoy the fun, food and festivities of this historic event.

Here's to another successful year of the Carp Fair—a beloved staple of our community since 1863—and many more successful years to come!

Greetings Carp Fair Visitors

September 2023

I am incredibly pleased to be Welcoming you to **160th edition** of the Carp Fair. The Ward 5 Staff, Our Mayor Mark Sutcliffe, and City Council colleagues, are very hopeful you will enjoy your time at the Carp Fairgrounds and take part in all the wonders of what this Fair may offer to you and yours.

Growing up locally I have had wonderful yearly experiences with family and friends at the Carp Fair and know you will enjoy its rich History starting in 1863 and now Celebrating 160 Years of tradition for 2023.

The excitement will keep you going with the largest midway in eastern Ontario, many wonderful exhibits, great food choices, exciting competitions, and many assorted styles of entertainment.

The agricultural community promoted within the Carp Fair is here to provide remarkable horse shows, showing the talents of local 4-H youth, homecraft and agricultural competitions, along with antique equipment displays, and many more exciting flavors of entertainment.

The Carp Fair Board has created more than a winning venue for 160 years and the success of this Fair is dependent upon Volunteers with many devoted hands working hard for you.

I commend the Carp Agricultural Society for their year-round work and endless hours of dedication to promote this event year after year. Wishing Fair goers new and returning a wonderful time at the fair and throughout 2023!

Best Regards

2023 President's Address

Welcome to the 160th edition of the Carp Fair. It is our pleasure, along with the Board of Directors, to present the Best Little Fair in Canada.

Over the past 160 years our fair has prided itself on its agricultural roots and rural traditions. Whether Carp Fair represents an opportunity to show prized livestock, display the best homecraft entries, admire an antique display, listen to up-and-coming entertainment, or simply reconnect with friends, our hope is that you enjoy this experience to the fullest.

Together, our board of directors have worked tirelessly and given countless volunteer hours to create opportunities for our patrons to make lasting memories and create new learning experiences. We want to thank all our volunteers who dedicated their time over the past year, at any number of our events, which has helped us to showcase the 160th Carp Fair.

We also want to recognize the support of the many levels of government, individual sponsors, private businesses, and exhibitors. Without all the previously mentioned contributions, we would not have the legacy we are presenting today.

We look forward to hosting you from September 21 to 24, 2023!

Sincerely,
President - Homecraft Division

1. The rules and regulations of the Carp Agricultural Society are established by the Board of Directors, are administered by the board, and may be changed by the board.
2. Stock and all articles for competition or exhibition must be entered in the name of the registered owners, and unless this rule is observed, no premium shall be awarded, and if awarded, shall be withheld. Any exhibitor found guilty of the above irregularities will forfeit all prizes won at the exhibition.
3. No animal shall be allowed to compete as purebred unless it possesses regular Stud or Herd Book Pedigree, a certified copy which must be presents to the directors in charge.
4. No person shall act as judge for awarding prizes for the class in which they or any member of their family is a competitor. The judge's decision shall be final, and anyone found abusing judges will forfeit all claims to prizes and may be debarred from exhibiting.
5. No animal hereditary unsound is to be awarded a premium. Any animals affected by contagious or infectious disease of suspected of same, may be removed at the discretion of the directors.
6. No person shall be allowed to enter for exhibition more than one specimen in any section of a class; this rule is to Field Crops, Grain & Seeds, Fruits & Vegetables, Maple Syrup, Honey, Flowers, Culinary Science, Juniors, Sewing, Needlework & Crafts, Women's Institute, Home Brewing Wine & Beer, Egg and Antiques and Collectibles departments.
7. Under the terms and conditions of the Livestock Classification established by Agriculture Canada, exhibitors of purebred Beef and Dairy Cattle, purebred Sheep, purebred Goats, and purebred Heavy Horses, are limited as to the number of entries. It shall be the responsibility of exhibitors to check the various departments in the prize list for details. In each case, where the same or common interests are involved in more than one breeding operation, such operators are considered as one breeding unit. All entries must be owned by the registered in the name of the exhibitor.
8. Exhibitors of Light and Heavy Horse may make up (2) two entries per class entries where specified under the Hayes Classification. The Light and Heavy Horse Committees may, at their discretion, limit the total number of entries that will be accepted per class, such limits to be published in the current prize list.
9. Entries of any exhibitor in any department may be refused in the case of an exhibitor who has shown an objectionable attitude or who has acted in an unsportsmanlike manner at a show.
10. Any article or animal enumerated in the list, if it is the only one of the kind on exhibition, will be judged accordingly, and any animal for which a prize has been awarded may be entered for prizes at any subsequent exhibition if the owner thereof wishes.
11. Any animal not shown in its proper class may be ruled out by the judge but will be allowed to compete in its correct class after reporting same to the director in charge.
12. Any member who shall impose, or attempt to impose any false representations, in any way, to obtain a premium or to take an advantage, or if any judge shall show partiality, shall be liable to be deprived of their premium, or to be expelled from the Society as the directors may think fit.
13. While directors may take every possible precaution under the circumstance to ensure the safety of the articles sent to the exhibition yet they wish it to be distinctly understood that the owners themselves must take the risk of exhibiting them, and should any articles be accidentally injured, lost or stolen, the directors will give all the assistance in their power towards repairing or recovering the same, but make no payment of value thereof.
14. All articles and produce for competition in homecraft department shall be entered and in place by 9:30am the Thursday preceding the Fair. Judging shall commence at 10:00am.

17. The Carp Agricultural Society will not be held responsible for any accidents occurring to its patrons on the fair grounds during the fair or at any other time.
18. Each exhibitor will receive prize money as awarded from the General Manager and any errors or omissions should be reported to him or her immediately.

The Presidents and two Vice-Presidents shall constitute a committee to determine such protest.
22. Any person who shall attempt to interfere with the judges, directors or officers of the Society, or who shall on the premises use an contemptuous or abusive language to any judge, director or officers shall forfeit their rights to any premiums to which they maybe entitled and shall be excluded from exhibiting for one or more years, thereafter at the discretion of the directors. The responsibility of proof of separation of breeding units shall rest with the exhibitor(s).
